

COCOA SMOTHERED BY PALS IN FIRST OF THREE GAMES

Hard Hitting of Pals Is Too Much for Visiting Club

Cocoa was easy prey for the rejuvenated Pals in the opener of a three game series yesterday, two pitchers hammering for fifteen safeties in the eight innings the Pals were at bat, the final score being 14 to 2.

Rogers, the first man up for the visitors startled the home folks with a stinging double to left, but thereafter subsided and never got any nearer home. Jones grounded out to third, Gieger walked, Knowles grounded to second and Hedley whiffed. After that there was nothing to it.

In their half of the first the Pals established an overwhelming lead and the visitors fought to keep the score down. Callahan opened the local half with a single, Robinson put him down, Wynne walked and Peters skied to left, after which Quinn bumped one over the right field fence. Larzo ended the inning with a long drive to left.

In the second the Pals went even faster. Holden tried the inning open with a single to left and Gonzales put him down. Gray singled and Holden scored. Callahan hit a line drive to short, Hedley getting the tip of his

gloved hand on it, and a moment later Robinson hit to short, who made a clean error, Gray scoring. Wynne's double to right cleaned the bases. Wynne went to third on Peters out to first and scored on Quinn's single to center. Quinn was caught stealing. During this inning King and Bamberg took up the battery work and the Pals didn't register again until the fourth when four passes and Wynne's singled netted two runs.

In the sixth Peters saluted Mr. King with a homer, Quinn walked and went to second on Larzo's infield out. Holden singled to center, Quinn going to third, from where he scored on Gonzales double, Holden taking third. Gray hit to short and Holden scored, Callahan's infield hit scoring Gonzales. The score:

Baseball Gossip

Seldom does a pitcher go through a game without getting an assist or put out. Gray did this yesterday. Nor does it often occur that a third baseman only gets one chance, and fumbles that. Brown did this for the visitors.

Hitting the first ball over is becoming a popular innovation among independent ball players. Letting one go whether it is a ball or a

YANKEES PERKING UP AND CLOSE GAP BETWEEN BROWNS

(By Associated Press)

New York, June 22.—Because of Shawkey's effective hurling Huggins' awakened Yankees yesterday defeated Cleveland 7-3 and by virtue of the league-leading Browns' 5-0 loss to the Mackmen, have advanced a full game toward the top of the ladder. They were one and a half games behind St. Louis today.

Ed Rommel allowed the Browns but four bingles, while Wright and Danforth were touched for eleven swats and a quintet of runs. George Sisler escaped with another stolen base, his 25th of the season.

The Red Sox, in two innings, counted nine runs, enough to beat Cobb's advancing Tiger band, 9-8.

The White Sox developed a ninth-inning punch to win from the Senators, 5 to 4, and went into a fourth-place tie with the Indians. Washington now occupies the fifth position.

Brooklyn, in a game of many hits and errors and pitchers, engaged in a nose-and-nose contest with the Pittsburghers, beat them, 15-14, and tumbled them from the third position in the National league. The Pirates outthrew the Superbas, 25 to 19, but they made six errors, most of which contributed to their opponents' run column. The Pirates used five moundsmen, and their ace, Adams, was credited with the loss. Five of the Superbas' hurling staff were employed.

The Phillies, in a six-inning affair with the Cubs, got three home runs, but lost, 6 to 3.

strike has been tradition so long that perhaps some have forgotten it. One called strike is better than to hit the first ball, all the base ball heads agree, except in rare instances.

The Cocoanuts had a varied assortment of players, including the famous High Springs battery. King and Bamberg, Knowles, the Fort Pierce slugger, is also on the line-up, but failed to execute with the willow in the first game.

Now that Guinea Quinn has got the range we may expect him to bust them over about lodge rooms on special occasions. Including yesterday's game he is only hitting .688.

Buster Brown, playing third for the visitors, is only 15 years old, but handles himself like a big leaguer. He was nervous when he went after Peters' tall fly in the seventh and made a miff of it. Otherwise he was not embarrassed.

Next week the Lake City Terrors engage the Pals six games, three here and three on their grounds. While keenest rivalry exists between these two clubs relations are as amicable as possible to have them. The engagement is attracting attention from all over the state, as many baseball enthusiasts believe that Palatka and Lake City have clubs that are equal if not superior to the Florida league clubs.

Madison has broken into the ranks of fast independent ball and is after games with the Pals. The schedule, however, is filled up to August 12 and the Madison crew will have to wait their turn at the slaughter.

The Pals went through eight innings yesterday without a man fanning. This seldom happens in the big circuits.

Guineville has signed Pfeiffer, who pitched a few games early in the season for Lake City. Manager Rute is doing his best to get a winning aggregation together.

Sanford seems to have dropped out following the double defeat administered in one afternoon by Malory Sanford on the Pals' visit to the Celery City.

HARDING CANNOT URGE PHILIPPINE INDEPENDENCE

Washington, June 22.—President Harding told members of the Philippine parliamentary commission today he could not yet urge upon congress the desirability of Philippine independence.

Unfrosted Parson Says Public Will Not Forget Past

(By Associated Press)

Los Angeles, Cal., June 22.—Donald D. Stewart, the unfrosted clergyman who is held in the city jail awaiting officers from Boston, where he is wanted on charges of bigamy, grand larceny and conspiracy, has met interviewers with this comment: "I can't live down my past; the public won't let me."

With Stewart when he was arrested was Mrs. Ethel Turner Osbaldeston Stewart, the second of the four wives she is said to have married, and who also was taken into custody. She is charged with having conspired with him to effect his alleged marriage to Norma Ehrenseller, of Boston, from whom he is said to have stolen \$2,500.

Reports of operatives of the private detective agency which arrested the couple were incomplete, it was stated, as to the charges said to have been placed against Stewart in various sections of the country, but they listed his alleged marriages.
